Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Tuesday 20 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry with some warm afternoon sunshine for many areas.

This Evening and Tonight:
A dry sunny evening across much of the south of the area, but cloudier further north, particularly across the Western Isles. Cloud will increase for most overnight, although some clear spells remaining across Lochaber. Mainly dry, some patchy light drizzle. Minimum temperature 12 deg C (54 deg F).

Wednesday:
Overnight low cloud mostly burning off in the morning to leave a dry warm day with sunny spells. Some patchy low may linger across the Western Isles and far north. Maximum temperature 26 deg C (79 deg F).

Outlook for Thursday to Saturday:
Remaining dry and sunny, overnight low cloud in the east burning off in the mornings. Very warm, locally hot in the south and west. East coast somewhat cooler.
